**Sri Geeni Rama Moorthy**

## **Sri Geeni Rama Moorthy**

Sri Geeni Rama Moorthy born on 17-03-1940 and died at the age of 82 after a brief illness on 21.11.2022. He was the director of the apex body of UCBs and Credit Societies 'NAFCUB', founder Chairman of Bhavana Rishi Co-operative Urban Bank and Chairman of Andhra Pradesh State Cooperative Urban Banks Federation Ltd (till division of State) and Honorary Chairman, Telangana State Cooperative Urban Banks Federation Ltd.

Sri Rama Moorthy was associated with the cooperative movement for many decades and was associated with 'NAFCUB' for a long time. He was also the Member, State Government Expert Committee on Co-operative Urban Banks, Member, Reserve Bank's Standing Advisory Committee for UCBs, Mumbai and Member TAFUCB Committee for Telangana, Andhra Pradesh and Tamilnadu States.

His educational qualifications were, M.A. in Economics, M.A. in Political Science, Bachelor of Laws (B.L) Post Graduate Diploma in Alternative Dispute Resolution (PGADR), Short term Diploma in negotiating rights from London.

Sri Rama Moorthy served the government of Andhra Pradesh for 21 years and retired as Junior Accounts Officer. Moorthy headed several independent trade unions. He had also served as General Secretary, Andhra Pradesh Congress Committee (APCC) but resigned. He got the Lifetime achievement award in Co-operative Banking. Earlier he was accredited Journalist for 10 years and Member of the Government Accreditation Committee for journalists for two terms. He was Editor and Publisher of a local evening Telugu daily 'Sayamkalam' and very popular Telugu weekly "Vaaram Vaaram". He was Executive Partner and looked after marketing of popular English daily, 'Deccan Chronicle' and Telugu daily "Andhra Bhoomi".

He undertook study of credit union movement in USA for about one month and visited several credit unions and National Credit Union Head Quarters in USA. He was a Legend in Cooperative Banking in India.

### **This is our Re-revised Directory**

The Directory of cooperative urban banks in combined Andhra Pradesh State was first published in 2004 which was helpful to the urban cooperative banks and regulators as well. This enabled the UCBs to acquaint themselves with each other to interact and exchange their views and knowledge on several issues pertaining to banking practices. Equally this hand book was also useful to the regulators which minimised their efforts in searching for addresses and

phone numbers of the UCBs in the State. It was also more useful to the vendors who often contact the UCBs for marketing their products. The Directory was republished in the year 2005, 2006 and 2012. After formation of Telangana State this publication is first one.

In the past years some changes have taken place in the management of UCBs. Some UCBs are merged with some good working UCBs, Some are gone out. Some Chairmen's of UCBs were changed. Some new CEOs were appointed. Some mobile numbers and landline numbers of UCBs also changed. Taking stock of all the changes the present edition is updated one.

Present number of UCBs in the Telangana State are 51 and the opening of new branches to the existing banks is not in pace as expected. The Reserve Bank of India is yet to permit licensing of new UCBs in consonance with the recommendations of the Malegam Committee.

Task Force on Cooperative Urban Banks (TAFUCB) is considered to be an effective mechanism for minimizing the supervisory harshness is functioning satisfactorily. The TAFUCB has really done good work. Of course at times the recommendations of the TAFUCB are set-aside either by the Regional Office or by the Central Office of RBI. The Standing Advisory Committee (SAC) meetings held at RBI, Central Office, Mumbai are considered to be good mechanism to deliberate on policy issues.

In the SAC meetings the voice of the Federations are emphatically put forth to the regulator which had its influence in the policy making by the Reserve Bank.

The sweeping amendments made to the Banking Regulation Act effective from June 2020 might damage the functioning of the managements of Urban Cooperative Banks. The heat of the amendments is slowly touching the UCBs. It is afraid that more damage to the management of UCBs might be in the store of RBI.

In the past times the unscrupulous and unethical elements in the sector were eliminated and the sector's health has greatly improved. Yet the UCBs have to be ever vigilant and more operationally efficient. The managements are expected to do hard work and improve the image of the UCB sector.

Let us join together to make a vibrant cooperative credit movement.

With Cooperative Greetings.
