Report One day Training Programme on Cyber Security for Co-operative Urban Banks Staff

Our federation in association with Telangana Cooperative Union conducted one day training program on **CYBER SECURITY** for the Staff working in the Urban Cooperative Banks in Telangana state on 16th September 2025 at Cooperative Training Centre (CTC), Gunfoundry, Hyderabad-500001 from 10.00am to 5.00pm.

Sri Madana Gopala Swamy in his inaugural address emphasized the need and necessity of awareness about Cyber Security among the staff working in the banking industry as a whole and among UCB staff in particular. As the UCBs are not in a position to invest huge amounts for IT related investments, staff members are advised to be up to date to protect the bank as well as bank customers. Shri B Sreenivasulu, Trainer is CISA qualified and well known in the UCB circle, conducts IS audit for UCBs and participants are advised to make use of his presentation for their benefit.

Smt. K.V.N. Annapurna garu, MD, Telangana Cooperative Union conveyed special appreciation for the federation support and assured to conduct similar training programs for UCB staff in the days ahead. Sri B Venkanna garu, Principal acknowledged the support given by the federation during the year 2024-25 and requested to extend the same support for the current year also, which will facilitate to conduct more and more programs to UCB staff. Sri B Sreenivasulu, Trainer conveyed thanks for identifying him and taking his services to train the UCB staff and recollected his association with UCBs as IS Auditor for the last 10 to 15 years. In his presentation he covered the following for the benefit of UCB staff.

Cyber Security in Banking, Foundations & Frameworks, Policy RBI's Graded Framework (Level I-IV) , NABARD's Cyber Resilience Guidelines, Common threats in UCBs Password Management & Access Controls, Strong password policies, Role-based access control (RBAC), Two-factor authentication (2FA), MFA Incident Reporting & Response, Cyber Crimes, Identifying cyber incidents, Internal escalation matrix, CERT-In coordination & IRP Phishing, Social Engineering, Mobile Banking & Email Security, Recognizing phishing attempts, Email domain security (DMARC, SPF, DKIM), Mobile device safety Data Protection, APT & Regulatory Compliance, Data Loss Prevention (DLP), Vulnerability Assessment & Penetration Testing (VAPT), Audit preparedness etc. Faculty Sangeetha Madam conveyed vote of thanks.

A few photos taken on the occasion are furnished below for necessary action at your end.
